

AP MUSIC – COMPOSITION 4 PRE-WRITING ACTIVITY

Name _____

Period _____

1. What song did you chose as the basis for your composition? What ideas do you have for varying the theme you picked?

2. What examples of Theme and Variations did you listen to before you started writing? What were some of the variation techniques used in those compositions?

3. What musical goals do you have for your composition? This is your fourth composition this year. How are you going to make it your best? What are some things you did in your previous compositions that you are going to try to improve in this composition? Ex. Planning, originality, musicality, transitions, balance and blend, etc...
